# **Results of Operations**

The entertainment industry in the period under review saw the virtual reality (VR) becoming a popular topic in Japan and overseas. Media across the board have been featuring scores of VR related news and also the TOKYO GAME SHOW 2016, where the year 2016 was declared the "VR Founding Year," promoted the topic vigorously. Trends in VR markets gripping the world look likely to remain a major focus of attention.

Under these circumstances, the Group has been operating as a comprehensive entertainment provider deploying a "multi-content, multi-use, and multi-device" strategy to deliver diverse entertainment content in all business segments and on a variety of devices. In order to establish robust IPs, the Group has been driving its strategy in the three key areas of branding, alliances, and global business, and is working to offer content that generates "buzz" among today's users while endeavoring to enhance its services.

As a result, the Group's net sales in the first half (April 1, 2016 to September 30, 2016) marked 12,999 million yen, with operating income of 1,317 million yen, ordinary income of 1,055 million yen, and profit attributable to owners of parent of 799 million yen.

# Future Developments & Outlook for Fiscal Year Ending March 2017

The Company has been deploying a "multi-content, multi-use, and multi-device" strategy to deliver diverse entertainment content in all business segments and on a variety of devices. In order to establish robust IPs, the Company has been driving its strategy in the three key areas of branding, alliances, and global business, and is working to offer content that generates "buzz" among today's users while endeavoring to enhance its services. The Company will keep aiming at further gains in enterprise value and attainment of sustained business growth by leveraging its strengths as a comprehensive entertainment company and broadening the reach of the Marvelous brand.

The full-year outlook for fiscal year ending March 2017 is for an improving earnings margin at the online game business as unprofitable titles are scrapped and steps taken to sustain the favorable performance of rebounding core titles. The consumer game business will focus on sales launches in Japan and overseas surrounding new package software products. At the amusement division with its line-up of three powerful IP titles, each title will see strengthening through collaborative initiatives and advertising. And the audio & visual business, where standard series and new titles alike have been performing well, will continue to work on maximizing sales and earnings of each title and focus on expanding income from secondary uses.

As a result of the aforementioned efforts, consolidated results for the current fiscal year are forecast to achieve net sales of 34,000 million yen, operating income of 6,000 million yen, ordinary income of 5,850 million yen, and profit attributable to owners of parent of 4,150 million yen.

#### **Comprehensive Strengths of Marvelous Online Game Business Consumer Game Business Audio & Visual Business** Native app CD/DVD/Blu-ray Home-use game Social game Stage and musical performances Amusement game Distribution and program sales PC browser game New title **Overseas** IP value Strategic Multi-media development optimization partnerships expansion drives expansion Diversification and long-term orientation of earnings Sustained business growth
